The Tool Wagon illustrated complete with 112 Tools, enables the mechanic to buy an efficient quality unit at a price he can afford to pay. The two drawers and tote trays have ample space for the storage of these tools, leaving the large compartment below, which measures 12¾" x 18⅝" x 26¾" open for storage of large body tools, jacks, etc. The removable tote trays enable the user to take any necessary tools out on an emergency job. The top drawer and drop front which are equipped with Yale tumbler locks give the mechanic security against loss while away from the garage. The detachable valve holder will carry 16 valves. The work bench top is covered by a rubber mat. If desired the wagon can be rendered stationary by removal of the 2½" composition rubber casters. A durable Red and Black Wrinkle finish makes this a very attractive piece of equipment. All fittings are finished in Chrome. Overall dimensions: 34" x 26⅞" x 19".
